

### **REMARKS**

The present amendment is similar to the amendment filed on June 25, 2010. It is unclear whether the Amendment of June 25, 2010 was ever acted on prior to the issuance of the Notice of Allowance dated September 28, 2010. The Amendment of June 25, 2010 fixed resolved minor issues raised in the Office Action of April 28, 2010. The present amendment has been filed to ensure that the amendments made to resolve minor issues is entered prior to issuance of the patent application.

The abstract of the specification has been amended herein as may be appreciated from the above. The amendment resolves the objection to the abstract issued in the Office Action dated April 28, 2010 (hereafter "Office Action"). The amendment should be entered as it resolves issues for appeal.

The claims have also been amended as may be appreciated from the above listing of claims. Claim 39 was amended to change the term "the communication device" to recite "the at least one communication device". No change in the scope of claim 39 is made by this amendment and there is no added burden placed on the Examiner by the amendment made to claim 39. Therefore, it is respectfully requested that this amendment be entered.

The present amendment does not require the payment of any fees. Nevertheless, authorization is provided herewith to pay any underpayment of fees or credit any overpayment of fees to Deposit Account No. 02-4800.
